A brief Newsletter to round off the Summer recess

SCPF Exhibition 2018

The deadline for registration is fast approaching: 31st August. We still have a number of spaces available, so please ensure your club registration is completed in time.

League Secretary

We are sorry to see the resignation, for personal reasons, of Philip Acland from the role of League Secretary. We are grateful to Philip for his contribution to the Council, where he has previously been Publicity Secretary.

Please note however that the management of the Leagues is in good hands and we do not anticipate any problems in this respect for the forthcoming season. Any contact needed should be addressed to league@southerncountiespf.org.uk

All clubs have been issued with their upload codes; if you have any problems with these please contact webmaster@southerncountiespf.org.uk

Club Reps' September meeting

The next Club Reps' meeting will be at Littleton on Tuesday 12th September. This will, as last year, be a mainly social get-together with cheese and wine, a good opportunity for networking with colleagues. There will be a short business agenda to start with. Please note that prints entered for the PAGB Exhibition will be returned on this evening.

PAGB Awards for Photographic Merit

Leo Rich has provided the following update:

Entry Information packs for the November 2017 adjudication have now been issued. If you have not received yours please contact Daphne Hanson as soon as possible.

April 2018 Adjudication - Chorley, Lancs

I have just been advised that both the Credit and Distinction levels are over half full. You will need to act promptly if you wish to take part. To do so send an SAE to Leo Rich (SCPF Awards Officer) and he will forward an Application form and details on what is required. Application forms are not downloadable from either the PAGB or SCPF websites.
